

Alan Gilman presents...

God's Epic Story

A Bible Overview Seminar

Through this seminar, you will...

-  See the world from God's perspective.
-  Discover how the pieces of the Bible fit together, providing a foundation for effective godly living.
-  Understand how the coming of Jesus as Israel's Messiah is the fulfillment of Old Testament expectation, enabling us to know God and live life the way he intends.
-  Realize how the Gospel is much more than an individualistic spiritual experience; but God's invitation to be part of his transformational, worldwide mission.
